MAKE PLANS FOR CONCRETE PAVING

IN THE ALLEY OF BLOCK NUMBER THREE

PETITION IS PRESENTED

To City Council to This Effect—Mayor W. O. Garrett Gives Monthly Report at Meeting

The city commissioners at a regular meeting of the City Council last night recommended and approved of the laying of re-inforced concrete paving in the alley in Block No. 3 running from Main street east to Market street, on the presentation of a petition of the property owners in this block.

The petition was presented in person by the signers: Holt Supply Co., C. D. Koch, Chas. Hyslop, C. M. Caldwell, Chas. A. Jensen, Tom Stinson, Laura A. Beal, Jas. B. Robinson, Geo. K. Hartley and Walter Mutz.

The council and petitioners agreed upon a seven-inch re-inforced concrete paving to run the length of the alley 264 feet, and the Council will pass a resolution to this effect Friday night. This alley way is in the middle of the block between Fourth and Fifth streets and starts on Main street and runs east to Market street. The petition was to the effect that the "City Council of the City of Maryville recommend or authorize the paving or hard surfacing the alley" mentioned above. Paving for other streets and alleys will probably be considered at the Friday meeting.

The City Council granted a request of the Holt Supply Co. to erect a board sign, 12 by 30 inches in front of its building on 115 East Fourth street. A permit was also granted to J. H. Yeo and Virgil Grooms to erect an electric pool sign in front of the building, 211 North Main street, 6 by 2 feet.

Mayor W. O. Garrett at the Council meeting gave his monthly report for February:

Water department, $13,734.52; lateral sewer fund, $498.72; street fund, $1,823.90; library fund, $4,518.34; general fund, $17,726.94; first water bond principal, $4,547.11; street worker's guarantee fund, $251; second water bond principal, $355.32; first water bond interest, $4,610.91; second water bond interest, $629.52; petty cash, $13.58; at total of $48,709.86.

The collector's report for the month of February given at the meeting last night follows:

General tax, $584.86; street lighting, $283.34; library tax, $141.69; first water bond, $85.18; first water bond interest, $56.72; second water bond principal, $28.44; second water bond interest, $28.44; total of $1,208.67.

The report of the Maryville Free Public Library, Miss Grace Langan, librarian, follows:

Loan department: juvenile, 590; general, 1,431; magazines lent, 135; total number of books and magazines lent, 2,156; average per day, 84; number of readers cards issued, 35; readers in reading room, 2,332; average per day, 80. Collections: fines, $12.99; cents a day, $6.54; total collection, $19.53.

In the police judge report as given by the mayor, W. O. Garrett, fines amounted to $120, on which $20 was paid, and costs to the sum of $14.25.

Claud Stults reported $15.30 from the city scales.

Insurance to Feature Soldier Bonus Bill

Drafted Bill Has Approval of American Legion—Policies to Have Cash Loan Value

Washington, March 5—Small cash payments and paid up insurance policies will form the basis of the new soldier bonus bill soon to be passed by the House, according to all indications today.

With the approval of the American Legion, the House ways and means committee, plans to draft a bonus bill providing for cash payments to those veterans who are entitled to no more than $50 on the basis of $1 a day for home service, and $1.25 a day for overseas service. It is estimated that this will cost the treasury only thirty million dollars.

The great majority of veterans, however, will get insurance policies, the amount to be based on their length of service, and the policies will have a cash loan value.

VERDICT SUSTAINED BY SUPREME COURT

JESSE HATCHER MUST SERVE SENTENCE FOR KILLING

DRIVES WHILE DRUNK

Sentenced in Nodaway County Court for Causing Death of Merle Buie, About 2 Years Ago

Jefferson City, March 5—An opinion by Presiding Justice David E. Blair in division No. 2 of the supreme court yesterday concurred in by all of the judges, upholds the law passed by the special session of the general assembly in 1921 making it a felony for an intoxicated individual to drive a motor vehicle in Missouri.

The case was that of Jesse Hatcher who was convicted in Nodaway County and sentenced to two years and six months for causing the death of Merle Buie, near Graham, in the county, July 15, 1922.

They were passengers in a car driven by Hatcher, and all the evidence in the case showed that he was drunk at the time. The machine overturned near Graham and Buie was killed. It was held that the law was valid and that there were no reversible errors, so that Hatcher must serve his sentence.

Jess Hatcher was tried in the Nodaway County circuit court about two years ago. A jury found him guilty and assessed his punishment at two years and six months in the penitentiary. An appeal was granted to the Supreme Court.

Hatcher has been out on bond pending the appeal of the Supreme Court. The marshall of the Supreme Court will come to Maryville within the next few days after Hatcher and take him to the penitentiary.

TO BE IN 2 PROJECTS

Notice to Contractors to be Published in Friday's Democrat-Forum—Bids for Work Asked

The contract for the construction of the primary road south of Maryville will be let by the State Highway Commission at Jefferson City on March 21, according to information received by the Democrat-Forum today.

The work on this road will extend for 9.890 miles and will be in two projects. Project 245 A will extend a distance of five miles south of Maryville while project 245 B will extend a distance of 4.890 miles. Both projects will connect.

The notice to contractors will be published in The Democrat-Forum Friday. It says in part as follows:

Bids will be received by the State Highway Commission until 10 o'clock a. m. on March 21, 1924, at the office of the Secretary of the Commission in Jefferson City, and at that time will be publicly opened and read in the Senate Chamber of the Capitol at Jefferson City.

The proposed work includes grading, constructing culverts and a concrete pavement 18 feet wide together with any incidental work State road from Maryville southwardly.

Multiple or combination bid will be considered.

Plans and specifications are on file and may be inspected in the office of the State Highway Commission of Missouri, Jefferson City, or at the office of the Division Engineer of the State Highway Commission in whose division the proposed work is located.

A set of plans and specifications may be obtained from B. H. Piepmeier, chief engineer, Jefferson City, upon deposit of $10 which amount will be refunded if both plans and specifications are returned in good condition within four days after the date of receipt of same.

Proposals shall be submitted upon blank forms provided for the purpose and shall be accompanied by a certified check made payable to the "Treasurer of the State of Missouri, to the credit of the State Highway Fund," for 5 per cent of the amount of the bid.

Payments will be made on monthly estimates.

The right is reserved by the State Highway Commission to reject any or all bids.

Jefferson City, March 5—B. H. Piepmier of the State Highway Department announced today bids will be received here March 21 for the construction of roads estimated to cost one million dollars.

There are twenty-five propects totaling 69.6 miles in nineteen counties which will be covered by the bids. Fifteen of the projects will provide for some kind of surfacing.

The proposed projects are in Worth Sullivan, Gentry, Lincoln, Benton, Saline, Miller, Maries, Montgomery, McDonald, Howard, Jefferson, Ste. Genevieve, Greene, Pulaski, Wright, Stoddard, Scott and Nodaway counties.

The bids will be received on the basis of the state supplying gravel, crushed stone and cement.

MORE DAMAGE FROM TORNADO REPORTED

TWO BUILDINGS ON J. L. CLAYTON FARM WERE DESTROYED

MANY FREAKISH THINGS

Chas. W. Stafford Tells of Seeing Places Visited by Storm—Chickens and Coop Disappear

More damage on farms in the vicinity of Pickering as a result of the cyclone there about 8 o'clock Monday night, was reported today.

On the J. L. Clayton farm, across the 102 river, just east of the Strong farm, the twister destroyed a barn and hog shed. Mr. Clayton said that from all appearances, the cyclone came from the southwest and then turned east.

On the O. R. Saunders farm, a quarter of a mile west of Pickering, the wind blew a galvanized roof off an outbuilding and twisted it around some wire fencing a short distance away. The wire was not broken, Roy Wolfers said this afternoon.

The cyclone also blew away and demolished a hog shed on the Roy McKee farm, near the Saunders place.

An insurance adjustor from Ravenwood is in Pickering today looking over the damage done and settlement is expected to be made soon.

Peculiar and damaging effects of the tornado which dipped down near Pickering night before last were told by Chas. W. Stafford, yesterday who lives two miles west of Pickering.

According to Mr. Stafford, who was at his home at the time the hurricane of a wind struck near his vicinity about 8:30 o'clock that evening, he ehard the rumbling and the roaring heard the rumbling and the roaring evidences of it could be seen and its duration was seemingly short.

The storm was from a northwesterly direction, Mr. Stafford said and first struck the Richard Collins farm, where it demolished all the buildings, blew a sheep barn away, killed many head of sheep. The tornado then dropped in on a group of four farms, among them the Joe Jackson place, L. H. Gray, and the Wallis farms, the latter being only a half mile north of Pickering.

On all of these places the buildings were damaged. Although some of them were apparently unhurt, inspection revealed that the wind had wiped the side of the buildings out of line and caused much damage, especially to the smaller frame structures.

Mr. Stafford said that at one place a chicken house and the chickens in it were lifted from the ground and no trace has been found yet.

Richard Snyder Dies This Afternoon

Was Constable of Polk Township for About 20 Years—No Arrangements for the Funeral.

FARMERS EXCHANGE TO REBUILD SOON

AT CONCEPTION JUNCTION — MEETING LAST NIGHT

TO COST ABOUT $3,000

Revised Estimate of Fire Yesterday at Conception Junction Places Total Loss Around $40,000

The Farmers' Exchange, which was burned yesterday in the Conception Junction fire, will be built as soon as arrangements can be made, according to J. D. Lynch, secretary of the Nodaway County M. F. A. This decision was reached at a meeting of the members of the Conception Junction Exchange last evening.

A committee was appointed by the farmers to make arrangements and draw up plans for the new building for the Exchange. The committee consists of Frank Weiderholt, Kenneth Myers, John and Albert Holtman, and John McManus. O. E. Klass is the manager of the Conception Junction Exchange. He is doing business for the Exchange today in another building in Conception.

It is planned to put up a new building that will cost approximately $3000 and the building is expected to be completed in about three month's time. The contents of the Farmers' Exchange was a complete loss in the fire.

At the meeting of the members of the Exchange last night it was undecided as to the location of the new building.

A revised estimate of the damage by the fire at Conception Junction yesterday which virtually wiped out an entire business block, is placed at from $40,000 to $43,500.

T. W. Costello, who was owner of the five business buildings that were located on the west side of the street in Conception Junction, places his total loss of the conflagration close to $20,000. The building owned by Clarence Vogt, which was on the south side of the fire, was damaged more than a first estimate placed it. The roof has to be replaced, a plate glass window will have to be put in and the north wall of the building will in all probability need to be rebuilt to some extent. The contents of the store, owned by Milligan & Son, will run about $500.

On the other end of the block to the extreme north, the building owned by Mrs. Lincoln Bent, Maryville, was badly burned, part of the south wall being consumed and the roof in need of repair. All the other buildings between the Bent and Vogt buildings were a total loss, and the debris smoldered all yesterday afternoon and part of the night.

Where the fire started, in the Nolan Dry Goods Store, only a thin partition separated it from the From Garage, and the flames made quick headway in these two establishments. The fire fighting apparatus was of no use in trying to extinguish the blaze in the Costello block as the burning buildings gave forth such terrific heat it was impossible to get within a fighting range of the stores. The volunteer fire department of Conception Junction did valiant work in protecting the buildings aeross the street east of the burning block. A strong wind carried whirlwinds of smoke and flames nearly across the street and burning embers blew over into the lumber yard, immediately east, and it appeared at times as if it would go up in smoke.

Merrigan & Son moved their stock of groceries back into the Vogt building yesterday afternoon.

The estimated damage to buildings and contents:

T. W. Costello, five buildings—$20,000.
Nolan Dry Goods Store—$9,000.
From Garage—$5,000.
Electric Theater—$1,000.
Farmers Exchange—$2,500.
Pfeiffer Bakery—$3,000.
Brady Pool Hall—$1,500.
Merrigan & Son, grocery store—$500.
Vogt building—$1,000.
Total of $43,500.

AUTHORITIES DOUBT CONFESSION STORY

DECLARE MAN WAS IN PRISON AT TIME OF BOMBING

OTHERS ARE IMPLICATED

Ralph Thurber, Confined in British Jail, Says He Aided in Wall Street Bombing

San Francisco, March 5.—Authorities at San Quentin prison here today branded as false the reported confession of Ralph Thurber in London that he was implicated in the Wall street bomb explosion. They said Thurber was in San Quentin prison at the time of the explosion, September 1922.

London, March 5.—Government officials declared today they are willing to expedite the extradition of Ralph Thurber, confessed Wall street bomber, if the United States asks for the prisoner.

Thurber is serving a fifty-day sentence in prison. So far, the United States state department has not asked for his extradition.

Robert Skinner, American consul at London, said he has turned over all information in his possession to the state department.

'If anything further comes from the confession, it will come from the state department or the New York district attorney's office," Skinner said.

New York, March 5.—Another person has confessed to a part in the Wall street explosion that killed thirty persons and injured scores of others, September 16, 1920.

District Attorney Banton announced last night Ralph Thurber, an inmate of Pentonville prison, England confessed and implicated others.

Proceedings for extradition, however, will be begun only after a thorough investigation, officials at the district attorney's office said. They pointed out many persons in various parts of the world had asserted they had important roles in the explosion case.

Thurber's confession was made public last night by Mr. Banton. It previously had been forwarded from the American consul general in London through Secretary Hughes and Governor Smith.

Edmond Kuster Dies at Hospital This Morning

Manager of Kuster Greenhouses, North of Maryville, Succumbs of Illness of Uremic Poisoning.

Edmond Kuster, manager of the Kuster Greenhouses north of Maryville, died at 7 o'clock this morning at St. Francis hospital after an illness of uremic poisoning. Mr. Kuster was born February 8, 1858, in Somerset, Pa., and at the age of 21 left his home and came to Hannibal, Mo. After a few years' residence there he located in Waterloo, Ia., where at the age of 29, he was married to Harriett A. Denniston. Their family consists of two children, Miss Anna Kuster and Royal Kuster, born while living in this vicinity. After spending fifteen years in Waterloo the family moved to Spokane, Wash., and later located in Shenandoah, Ia. Four years later they moved to a farm, eight miles west of Maryville, where Mrs. Kuster died of appendicitis April 14, 1913. In 1916 Mr. Kuster sold his farm and moved to Maryville. Three years afterwards he returned to his birthplace in Pennsylvania, where he remained until June, 1921, when the family returned to Maryville.

W. A. Rhodes and Alva Hunt, both of Harmony, were in the city today.

REFERENCE MADE TO HIGH OFFICIALS

IN M'LEAN TELEGRAMS EXAMINED BY SENATE COMMITTEE

SILENT TO CONTENTS

Investigators Interested About the "Principal"—New Sensation Evident When Made Public

Washington, March 5 —Frequent references to officials of the government were found in a new batch of telegrams to E. B. McLean and Albert B. Fall, former Secretary of the Interior, which were examined in the secret session today by the Senate public lands committee.

Members of the committee hesitated to discuss the messages, many of which were in code, but indicated that new sensations may develop when the telegrams are made public tomorrow.

The investigators were particularly interested in additional references to "the principal." In a previous wire to McLean, the publisher was told that "the principal" had given assurance that there would be "no rocking of the boat and no resignations."

Strenuous opposition broke out in the Senate this afternoon against the confirmation of Samuel Knight of San Francisco as special counsel to prosecute the government oil lease cases against the Standard Oil Co., of California.

Senator Walsh, Democrat of Montana, in a conference with newspaper men, declared that he had been informed that Knight was connected with certain business enterprises, which might prove hazardous to his connections with the suits of the government.

The Rev. Francisco delivered an effective sermon last Sunday night at the Methodist church, using Moses as an example of a leader. "The greatest cause of war is fear," he said, "one race of people prepare for war for fear of other peoples." To illustrate this statement he gave as an example the Entente and Central powers of the recent war, who so diligently prepared for war for fear of their neighbor nations.

Further on in his sermon he brought in a little truth about individuals, to the effect that "the greater opposition some men have the greater and stronger men they become. God prospers all men who try to conquer opposition," he continued.

Mr. and Mrs. E. C. McCollum of Burlington Junction were visitors in Maryville yesterday.

British Government Is Asked to Give Evidence

In First Instance of Kind in Missouri souri, Secretary Hughes Is Requested to Ask England for Information

Kansas City, March 5—In the first instance of its kind in Missouri, an order was issued in the circuit court here today requesting Charles Evans Hughes, Secretary of State, to obtain information from the British government to be used as evidence in a two million dollar suit here.

The suit was brought by Josiah Wolcott, before his death, against the Guyton Harrington Mule Co., of Lathrop, Mo., in which Wolcott once was a partner. It was alleged that the amount due was in profits between 1914 and 1917, when great quantities of horses and mules were shipped abroad.

The order asks that it be determined the amount of horses and mules bought by the British government and the amunt paid for them.

Admiral Coontz Is Called to Washington

Edwin Denby, Secretary of Navy, Sends Hurried Sumons to Commander of U. S. Fleet.

New York, March 5—Admiral Robert E. Coontz, commander of the U. S. fleet, was summoned today from his flagship, Seattle, here with the Pacific fleet, to go to Washington for a conference with Edwin Denby, Secretary of Navy, and other naval officials.

In answer to the sudden summons, Admiral Coontz and his staff left hurriedly for the capital. Admiral Coontz was forced to cancel a number of engagements in connection with affairs arranged by New York City for the entertainment of the 1,500 men and officers of the Pacific fleet.

Young orkers' League Organized in St. Louis

Is Said to Subscribe to Communist Work in America—Conducting Campaign for Membership.

St. Louis, March 5.—A chapter of the Young Workers' League of America, open to boys and girls between 14 and 25, and a junior organization open to school children under 14, have been founded here and are holding regular meetings, it was learned today.

Both meetings are adjuncts of the adults' Workers' League of America which is said to have subscribed to the Communistic movement, according to Barney Haas, district organizer.

"We are now conducting a campaign to increase our membership in both adult and junior organizations," Haas said. "We especially want to get members in the mine fqields in Illinois. We are trying to advance the position of the working people, so that they can take an active part in the class struggle."

Missouri had a reputation as a corn state even twenty years ago, as the following from "The State of Missouri" by Dean Walter Williams, would indicate: "Three Missouri boys, age 9, 16, 18 years respectively, prepared the ground, planted and cultivated 540 acres of corn from which they sold 34,620 bushels of shelled corn. Under contract with the owner of the tract the boys received 12 cents per bushel and realized the sum of $4,154.40 for their summer's work.

Benefit Musical Will Be Given Here Monday

Men's Bible Class and Maryville High Schol Join in Program to Be at Christian Church.

The Men's Bible class of the Christian Church and the Maryville High Schol have joined in securing a high class musical program, to be given here next Monday. This entertainment is to be given by the Mid-West Concert entertainers, consisting of three artists, two women and one man Cecile DeLaine is the violinist, a graduate from Brussels and who has given programs in the large cities before joining this company. Ruth Elliott is the vocalist of a high type and also accompanies Miss DeLaine. Mr. J. Hanneford is the reader of the company. He is advertised as the humorist, but is strong in giving Shakesperean readings. He gives various impersonations, dodging behind a screen which is on the stage, to change his costumes, during the giving of single plays and readings.

This promises to be a high class program and the organizations sponsoring it feel that it is an opportunity for the Maryville people to enjoy an evening of high class entertainment, and musical lovers will not be disappointed.

The High School Activity fund has a deficit just now and Mr. Ziegler hopes that through this program they may be able to come clear and wipe it out.

The program will be given in the Christian Church, and will begin at 8 o'clock.

There are eighty-eight high schools in Missouri, offering instructions in vocational agriculture, with teachers employed the year round under the Smith-Hughes Law.

RECEIVE WORD OF DEATH OF MRS. ELMER BOSLEY

Maryville relatives received word today of the death of Mrs. Elmer Bosley of Stanberry, which occurred at 10:25 o'clock last night after an extended illness of tuberculosis. The funeral will be held at 2 o'clock tomorrow afternoon at Stanberry, and the following Maryville relatives will attend: Mrs. Alzada Bosley, Mrs. W. R. Sperry, and Albert Bosley, mother, sister and brother of Mr. Bosley; Mr. and Mrs. Marion Lugar and family and Mr. and Mrs. R. S. Lockhart and family. Mr. Bosley formerly lived on a farm, southwest of Maryville.

John Murrin went to St. Joseph yesterday on business affairs, returning home at noon today.

ASTONISHING EVIDENCE GIVEN BY MRS. HAWKINS

"The wonderful results I have obtained from Karnak in such a short time seem more like the work of a miracle than a medicine, for I had suffered for ten long years without being able to get anything else to help me."

This is the tribute paid Karnak by Mrs. Abbie Hawkins, highly esteemed resident of 1439 St. Francis street, Wichita, and is another example why the manufacturers of the celebrated medicine can afford to guarantee substantial benefits from its use or refund the purchase price.

"My stomach was in such terrible condition that I could scarcely eat anything at all," continued Mrs. Hawkins. "My food just seemed to lodge right in the pit of my stomach in a lump, and I would be in misery for hours after every meal. I would bloat so dreadfully with gas that I could hardly get my breath, and would have terrible cramping pains in the pit of my stomach that were about the most miserable feeling a person ever had. Many nights I was in such distress I could scarcely sleep a wink, and I felt so weak and wornout all the time it was all I could do to keep going.

"Well, I am only on my second bottle of Karnak now, but it is simply wonderful what this medicine has already done for me. It has given me a slendid appetite, my food digests perfectly, and the gas and bloating is all disappearing. That distressed feeling in the pit of my stomach is all gone, and nights I sleep like a child. I have gained five pounds in weight also, and I have so much more strength and energy that I feel like a different person. It's a pleasure to tell others about Karnak, for it is a medicine that I believe will help anyone."

Karnak is a purely vegetable medicine of remarkable purity and wonderful efficacy in the treatment of stomach and digestive troubles, weakness, nervousness, rheumatism caused by digestive troubles, sour stomach, fatigue, catarrh of the stomach, dyspepsia, nervous indigestion, loss of appetite, torpid liver, constipation, gassiness, auto-intoxication, indigestion, malnutrition, a generally weak rundown condition, and many other complaints not generally recognized as having their origin in stomach and digestive troubles.

Scientists have long recognized that eighty to ninety per cent of all human complaints originate in the stomach. Karnak sets the stomach right, aids digestion, increases nutrition, helps purify the blood and aids nature to restore the health in a natural, lasting way. Its phenomenal success has become the success of the drug trade.

The regular price of Karnak is $1.10 per bottle. Substantial benefits guaranteed or purchase price refunded.

Karnak is sold in Maryville exclusively by Maryville Drug Co.—Adv.

Railroads Support One-Seventh of Population

The railroads of the United States use in one form or another 30% of the Iron and Steel produced in this country. Of the more than 1,600,000 workers in that industry, the product of something like 500,000 is bought by the railroads.

Of Bituminous Coal the same railroads consume 28%. Engaged in the mining of this coal are 600,000 workers, of whom 168,000 are employed only because their product is needed for the making of transportation.

They also use 25% of the Lumber output, which takes more than 500,000 workers to supply, and the railroads are therefore indirectly employing 125,000 persons in this occupation.

The railroads have nearly two million employes of their own.

With their families, the employes of these few industries represent 12,000,000 people whose support is derived from the railroads. Including smaller related industries, not less than one-seventh of the entire population is dependent upon railroad work.

The railroads could not prosper without the other groups, nor they without the railroads.

Co-operation is the keystone of our highly specialized civilization; and in the last analysis each man works for the other.

SOCIETY

Mrs. Bellows Hostess

The Wednesday Bridge Club was entertained this afternoon at Parkdale Farm, the home of Mrs. Dale Bellows. Mrs. W. N. Deatherage was a guest of the club. Mrs. Clarence Vogt was recently admitted to membership.

Skidmore Frolickers Club

Miss Lucile Linville was hostess at the meeting of the Frolickers Club yesterday afternoon at her home in Skidmore. Bridge was the diversion for the afternoon, the games being played at two tables. Miss Margaret Norton and Miss Linville tied for high score. After the games refreshments were served by the hostess, assisted by her mother, Mrs. Aaron Linville. Those present were Mrs. Bert Strickler, Mrs. C. E. Linville, Mrs. Harry Worl, Mrs. W. F. Barber, Misses Florence and Grace Foster, Miss Margaret Norton and the hostess. The club will meet March 18 at the home of Miss Norton.

Meet at Walker Home

Circle No. 3 of the Baptist Church met last evening at the home of Mrs. O. D. Walker on West First street, with seven members and four visitors in attendance. The meeting opened with singing of "Sweet Hour of Prayer." Mrs. J. D. England had charge of the devotionals which was followed by sentence prayers and singing of "Blessed Assurance." The new study book, "The Woman and the Leaven of Japan," was introduced by Mrs. Walker, who was the leader of the program. Mrs. J. D. England explained the two dominant religions of Japan, Buddhism and Shintoism, and each member discussed a subject from the opening chapter of the text book. Mrs. J. F. Cook read the story of St. Patrick, missionary saint of Ireland, whose death is commemorated on the seventeenth of this month. The closing number was current events from six missionary papers, all members taking part. The visitors for the evening were Mrs. Bud Knox, Doris Walker, Alice Virginia England and Alma Partridge.

Mutual Improvement Circle

"Editors and Publishers" was the topic for discussion at the meeting of the Mutual Improvement Circle yesterday afternoon at the home of Mrs. J. J. Heifner on North Main street. Devotions were led by the hostess and response was made to roll call with noted editors. Mrs. Louisa L. Catterson made a talk on the work of the late William R. Nelson, founder of the Kansas City Star, and Mrs. Walter Mutz told of the late Henry Watterson, publisher of the Louisville Ky., Courier-Journal. William Allen White, editor and publisher of the Emporia, Kan., Gazette, and a writer of note, was discussed by Miss L. Anna Owens. Mrs. Floyd Ambrose had as her topic, The Crowell Publishing Company, which publishes The Woman's Home Companion and other well known monthly publications. The program closed with the critic's report by Mrs. Robert Lyle. Mrs. Virgil Hartness, president, appointed the following committee to arrange a program for next year: Mrs Walter Mutz, Mrs. Florence Westfall, Mrs. I. E. Tulloch, Mrs. J. J. Heifner and Miss L. Anna Owens. There were sixteen members present and Mrs. A. D. Taylor of Chehalis, Wash., was a guest.

Philomathean Banquet

The annual banquet of the Philomathean Literary Society of the State Teachers College will be given at 7 o'clock tonight at Residence Hall. The affair will be in honor of Miss Mattie M. Dykes, a charter member, who will sail April 5 for England to take advanced English work in the University of London. The following menu will be served: Fruit cocktail, creamed chicken in timbales, mashed potatoes, peas, olives, pickles, hot rolls, butter, Perfection salad, cheese straws, ice cream, chocolate cake, coffee, mints and nuts. The society colors, blue and gold, will be used on the table and will prevail in the place cards and favors. Daffodils will be used as the floral touch. The after dinner program will include toasts made up of letters in the word, "Spirit." Harry Nelson, president of the society, will act as toastmaster, and these toasts will be given: "Spirit," Miss Blanche Dow; "Program," President Uel W. Lamkin; "Personal Pronouns," Miss Hazel Pixler; "Rendezvous," Dean Barnard; and "T in Spirit," Miss Dykes. Covers will be laid for forty members and the following guests, President and Mrs. Lamkin and son, Billy, Dean Edith Barnard, Miss Dykes, Miss Dow, Mr. and Mrs. W. W. Stanfield and Mr. and Mrs. C. C. Leeson. Mr. Stanfield and Mr. Leeson are sponsors of the society and the other officers are: vice president, Hester Dickerson; secretary, Pauline Ringgold; and treasurer, William Tompkins. All the officers will be in the receiving line.

S. S. Class Party

The Business Girls' Sunday School class of the Christian Church, taught by Miss Laura B. Hawkins, gave a party Monday evening in the church pariors. The evening was spent in playing games and refreshments were served. These members were present: Misses Opal Jones, Opal Moss, Dale Skinner, Mary Nielsen, Viola Jones, Fern Smith, Irene Simmons, Alma Partridge, Fern McKee, and Laura Hawkins.

Met With Mrs. E. R. Miller.

The Young Woman's Missionary Society of the M. E. Church met last night at the home of Mrs. E. R. Miller. A short devotional service, led by Mrs. Guy Haller was held before the meeting. Miss Emma Hull, president, read an entertaining letter from Miss Mary Jeanette Oldfather, a missionary of the Des Moines Branch, who told of her experiences and trip through Yohholma, Tokio and Korea. Reports of various committees were given and Mrs. Leonard Bosch and Miss Edna O'Neal were chosen as delegates to attend the District Convention to be held in St. Joseph, April 1 and 2 and Mrs. G. E. Brumbaugh and Miss Bertha Swallow alternates. It was decided not to celebrate Founders day, but the society will attend church services in a body as this date comes during the Revival services.

Mrs. L. B. Tracy was program leader and an interesting program on stewardship was given. Mrs. Howard Wray gave a reading on "Talents;" Mrs. Leonard Bosch, "Tithing;" Miss Gladys Ford was taken in as a new member. Refreshments were served by the hostess, assisted by Mrs. G. E. Brumbaugh, and Miss Edna O'Neal.

Mrs. C. E. Stilwell was a visitor and the members present were: Miss Ephra Drum, Mrs. B. E. Truesdell, Miss Mabel Gay, Miss Gladys Ford, Mrs. T. B. Mumma, Mrs. J. W. Herndon, Mrs. Claud Noland, Mrs. L. B. Tracy, Mrs. Leonard Bosch, Miss Edna O'Neal, Mrs. Howard Wray, Mrs. C. C. Leeson, Miss Bertha Swallow, Mrs. E. R. Miller, Mrs. G. E. Brumbaugh, Miss Emma Hull, Mrs. C. C. James and Mrs. Guy Haller.

Mrs. Farrar Hostess.

The March meeting of the Woman's Missionary Society of the M. E. Church South, was held yesterday afternoon at the home of Mrs. M. E. Farrar. The program was in charge of Mrs. J. H. Thorp and opened with singing of "Watchman, Tell Us of the Night." Mrs. B. F. Cline led in prayer and Mrs. Thorp read the Bible lesson on "Christ and Our Possessions," and following it there was a Victrola selection, "Jesus Still Remembers You." "From Interracial Observatory," under the general subject of "The New Spirit of Understanding in Race Relations," was the topic for discussion. Mrs. R. M. Barry spoke on "Observing New Attitudes." and Mrs. Farrar discussed "Observing New Activities." An open discussion on the race problem was held with the president, Mrs. James Hiett, as leader, and following it two negro spiritual songs were given on the Victrola. Mrs. N. F. Humber had as a special topic, "An Appeal," which dealt with the superannuate compaign. A general discussion of this subject closed the program, after which there was a business meeting. Eleven members and one visitor, Mrs. Faubion, were present. There will be a meeting of the executive board next Tuesday afternoon at the church.

TOURNEY CLOSES THE CAGE SEASON

CREAM OF N. W. MO. WILL BE HERE THIS WEEK

CAPTAIN SMITH IS OUT

Unexpected Always Happens at a Court Tournament—3 Gymnasiums Friday Morning

The 1924 basketball season in Maryville will come to a close this week, with two of the most promising days of court games in view for Friday and Saturday. The annual boys' cage tourney of Northwest Missouri High Schools always brings to the fore the best material available.

This has been a strenuous year for both class A and class B schools, with nearly every team in the district playing a full schedule. The dope sheet for this two-day's event will in all probability be spilled as tourneys generally bring forth the unexpected and with the chance drawing for pairing the teams in the preliminaries one of the best in either class may be eliminated at the start.

Concerning the chances for the Maryville Spoofhounds, Coach Harold G. Ebert, would not make any statement, but he said that with such an aggregation of quintets that have sent in entry lists he expected to see several up-sets. The Spoofhounds have been put through a grueling week of practice, with last night for the last heavy scrimmage before the tourney. He was handicapped in the last two practices as there are now only nine regulars on the squad. Captain Lavel Smith has been declared ineligible and will not participate in the meet this week.

Coach Ebert said last night that he would make use of Cockayne in the absence of Smith, but there is a possibility that Miller may get a chance.

Word leaked out yesterday that at least two of the regulars of the fast Maitland team, class B, will be unable to compete, as it is understood that one of the boys is suffering from an injury. From the list of victories that the Maitland team has piled up this season, it has been the opinion of many that Maitland would cope the class B title and would then swing into the grand final for a win.

However, with twenty-six teams entered in the B class, it will take more endurance for a team to go through to the finals than it will be in class A, with only eight teams on the entry list.

Some of the most potential quints appear in the class B list, with such combinations as Rosendale, Maitland, Westboro, Pickering and Quitman, and many others of which little is known. Westboro is ranked as a dark-horse by many. Both the Quitman and Pickering teams have won over the Cubs this season and Hopkins has had some scrimmage games with the Spoofhounds. The strength of the Rosendale and Maitland quints is known to be formidable.

In the class A list Maryville has only met one contender, Lafayette this year, losing by one point. The others, Tarkio, Stanberry, Cameron, Albany, Mound City and Bethany, no contests have been held with the locals.

The games will be run off in fast order Friday morning with three gymnasiums in operation.

Bearcats Stand in 3rd Place of M. I. A. A. Quints

Final M. I. A. A. Ranking

Team	P	W	L	Pct.
Springfield	8	8	0	1.000
Warrensburg	8	6	2	.750
Maryville	8	3	5	.375
Cape Girardeau	8	2	6	.250
Kirksville	8	1	7	.125

The Bearcat quintet of the Northwest State Teachers College stands third in the percentage list of the five teams of the M. I. A. A. conference for the year 1924. The two teams to have better averages are Springfield and Warrensburg. These two teams were also the cream of the old conference that was in existence last year and previous to the breaking of the conference into two separate ones.

Springfield went through the conference schedule without a single defeat and only was defeated once with other teams played. Warrensburg only felt the sting of a drubbing and that was by the Bears. As a round-robin schedule of playing was used every team in the conference met each school in the conference for two games.

With Maryville standing third in this conference this year the expectations are big a better rating next year. It is true that there were some letter men back this year from the 1923 team but these men had to adapt themselves to the coaching of a new mentor at the College. With his style of playing that is now used and the loss of one guard, Captain Kirby, the Northwest Teachers are due for much esteem from the other colleges of the M. I. A. A.

Kansas Aggies Defeat Drake Quintet, 30-25

Drake's Bulldog quintet went down to defeat before the Kansas Aggie combination last night at Manhattan, 30 to 25. This was the Aggies last game of the season. The first half was close, and a basket, made by the Aggies, gave them a 17 to 15 lead at the end of the first period. The Kansas team, however, pulled away in final half.

Loving Cup to Winner of Hillyard Tourney

A loving cup will be awarded to the winner of the Hillyard tournament that starts today at St. Joseph for independent teams of Northwest Missouri and Southern Iowa. The tourney will last today.

The today's schedule of games:

Fortescue Redman vs. New Point.

Platts Business College vs Pattonsburg.

Clearfield, Ia., vs. C. D. Smith, druggists.

Independents vs. Leona, Kan., American Legion.

Nave-McCords vs. Jackson University.

Mount Ayr Tigers and Skidmore Eagles each drew a bye.

Pickens to Give Radio Address

An address will be broadcasted from station WOS in the dome of the State Capitol, at 8:20 o'clock on Wednesday evening, March 5, by George A. Pickens, General Secretary of the organization. It was an inspired vision of what Imperial Missouri might become, that prompted the organization of the Association less than a year ago. You will want to listen in on Wednesday evening, March 5, to hear about the building of a Greater Missouri through advertising.

Novarro at Last Is Spaniard on Screen

The new Metro picture, "Thy Name is Woman," will be shown at the Empire Theater tonight and tomorrow.

The story concerns the eternal struggle of two men over a beautiful woman. A young soldier is sent to make love to the woman in order that evidence might be obtained on her father, who is a smuggler. The soldier and the woman fall in love and with this as a starting point the story becomes one of the most thrilling productions of the year.

The part of the spanish soldier is played by Ramon Novarro, a native spaniard. Novarro is hailed as the ideal lover by the matinee goers. Barbara La Marr plays the part of the Spanish woman.

Quart of Water Cleans Kidneys

Take a Little Salts if Your Back Hurts, or Bladder is Troubling You

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Eating too much rich food creates acids, which excite the kidneys. They become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood. Then we get sick. Rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys, or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, begin drinking a quart of water each day, also get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast, and in a few days your kidneys may act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush and stimulate the kidneys; also to help neutralize the acids in the system, so they no longer cause irritation, thus often relieving bladder weakness.

Jad Salts is inexpensive; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep the kidneys clean and active and the blood pure, thereby often avoiding serious kidney complications. By all means have your physician examine your kidneys at least twice a year.

Senator Reed will Not Enter Georgia Primary

Atlanta, Ga., March 5—Sen. James A. Reed of Missouri will not enter the presidential primary in Georgia, it was announced yesterday by Thomas W. Hardwick, former governor and personal friend of the Missouri senator. Lack of time before the primary in which to "stamp" the state, as he had planned was the reason assigned by Hardwick for Reed's decision.

Kinnaird Arranging to Show Hog Picture

To Fill in Dates That Were Postponed During February—at Maple Grove Church Tomorrow.

R. A. Kinnaird, county farm bureau agent, is now arranging to show the one reel motion picture film of the United States Department of Agriculture, which deals with the raising of worm-free hogs. Several dates that were arranged in the county during February had to be postponed due to the weather and the bad condition of the roads.

The places where Mr. Kinnaird has now arranged to show the film are:

Maple Grove Church, located six miles east of Hopkins, Thursday night, March 6.

At the hall in Clyde, Friday, March 7.

On March 10, Mr. Kinnaird hopes to show the film at Elmo.

On Tuesday evening, March 11, it will be shown at Skidmore.

Several other dates will probably be arranged before the film will be sent back on March 15.

Judge Blair Is Out for the Judgeship

Jefferson City, March 5. — Judge James T. Blair, a member of the supreme court yesterday filed with Secretary of State Becker as a candidate to succeed himself as a member of division No. 1 of the court. He is a Democrat. He served as assistant attorney general from 1909 until 1911, when he was appointed a commissioner of the supreme court. In 1914 he was nominated and elected a judge of division No 1 for a term of ten years.

The present outlook is that Judge Blair will not have any opposition in his own party for a renomination.

Lawyers throughout the state pronounce his work on the bench as being of a high order.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Mentho-Sulphur and use it like cold cream.

Millinery Schools to Be Held Next Week

A Two-day School at Elmo and a Four-Day School at Skidmore with Miss Martin in Charge

A two-day millinery school will be conducted by the Farm Bureau at Elmo next Monday and Tuesday with Miss Lois Martin of the agricultural extension department of the University of Missouri as instructor. A school has been held here in the past and the work taken up will be somewhat of a review.

The following leaders and the clubs they represent will be given instruction at this millinery school:

Mrs. J. J. Snoderly, North Prairie; Mrs. Frank Woods, White Chapel; Mrs. Presley E. Bailey, North Grove; Mrs. J. J. Russell, Elmo; Mrs. M. A. Atherton, High Prairie; Mrs. Joseph Horning, Dawson School district; and the Cottonwood, Possum Walk and Lorain Clubs have not sent in word whether they will have representatives at the meeting.

A four-days school, Wednesday, Thursday, Friday and Saturday, next week will be conducted at the Legion Hall in Sikdmore by Miss Lois Martin. The women that will be given instructions in millinery are: Mrs. W. W. Grigsby and Mrs. L. H. Reese of the Neighborly Club; Mrs. Fred Barger and Miss Ethel Hammond of Burr Oak club; Mrs. Clyde Goodpasture and Mrs. Frank Adkins of the Parent-Teachers' Association of Graham; and the Study Club of Skidmore will have representatives at the meetings.

Relief Sent to Costa Ricans in Earthquake

Panama Canal Zone, March 5—Relief work was rushed today for the thousands of Costa Ricans made homeless by the earthquake yesterday.

While the damage was heavy, especially in San Jose, the capital, the loss of lives was light.

Five strong shocks were felt at San Jose at intervals of fifteen or twenty minutes.

According to one report, there was no loss of lives in the capital, but the people were thrown into panic and many were injured.

Bronze Medal Awarded to Leo Durbin at H. S.

Given by the Underwood Typewriting Co. as the Result of Official Test Given During February

Leo Durbin will receive the bronze medal given by the Underwood Typewriting Co. for making a net speed of forty words a minute, as a result of the February official tests given in the typewriting classes of the Commercial Department of the High School last week.

Orville Pugsley and Mary Oakerson will receive the Card Case Certificate given by the Remington Typewriter concern, to any student writing forty words a minute with five errors or less.

Edith Howard will receive the Initial Certificates offered by both the L. C. Smith and the Underwood companies, having written at the net speed of 36 and 33 words a minute.

Three different makes of machines are used in the Typewriting Department of the High School and each student is required to learn the use and mechanism of each machine.

A great many bronze awards and card case certificates have already been won by other students in the Department, the highest speed for any of these awards being 52.2, reached by Mary Oakerson with only two errors.

The following students will be entered in the typewriting contest that will be held at the College on April 26: senior class—Mary Oakerson and Meria Williams; junior class—Orville Pugsley and Edith Howard. Others may be eligible for entry at a later date but this will be determined by an elimination contest that will be held in the latter part of March.

Lenox Quartet Pleases With Its Concert

One of Finest Musical Treats of Several Seasons—College Auditorium Well Filled.

The Lenox String Quartet, which was heard in concert last night at the State Teachers College, was one of the finest musical treats of several seasons. The College auditorium was well filled and the four artists completely captivated their hearers.

To the trained musician the opening Haydn group was perhaps most delightful of all, for Haydn, the first to break away from the spell of the cloister and the influence of the ecclesiastical mode, is little heard today on recital programs. The andante movement was particularly beautiful.

Of the second group, "Interludium in modo antico," interpreting modern Russian music with oriental coloring, and "Cherry Ripe," a beautiful tone picture of spring, were especially popular with the audience and brought forth spontaneous applause. Their encores were "Mollie on the Shore," an old-fashioned folk dance by Percy Grainger and "Adajietto," by Bizet.

The concluding group contained three movements of Dvorak's Quartet in F major, op. 96, which were well contrasted and characterized by weirdness. In response to prolonged applause the quartet played "Minuet" a court dance by Bocherini.

The members, who are all players of excellent individual attainment, are Sandor Harmati, first violin; Wolfe Wonfinsohn, second violin; Nicholas Moldavan, viola; and Emmeran Stoeber, cello. All members of the organization come from different countries, but rehearsals are held at Lenox, Mass., and it is from this city that the quartet takes its name.

Mr. and Mrs. Roy Mayes are the parents of a daughter, born Sunday morning. The baby has been named Helen Priscilla.

Debate Club Presents a Humorous Program

The Debating Club of the High School had a humorous program at the regular meeting this morning. The program was the first humorous one given by the club this term. It follows:

Oration—Ralph Graves.

Reading—Leola Miller.

Debate: "Resolved That a Mouse is More Dangerous Than a Tiger."

The affirmative team was represented by Edwyna Forsyth and the negative by Lucile Qualls. The debate was won by the affirmative. The Debating Club is growing steadily, there being nearly eighteen members enrolled at the present time.

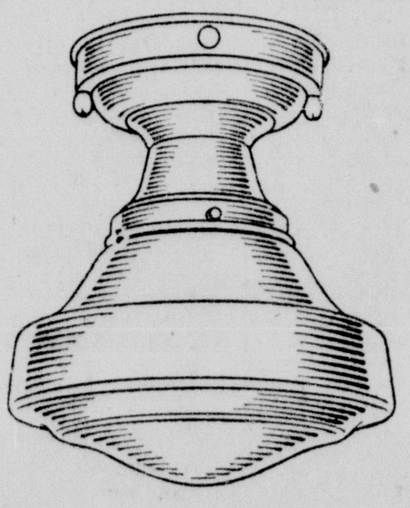
Is *Your* Kitchen Up-to-date? *Is It "Daylighted"?*

Good lighting makes your work easier and more pleasant. It is all important in the kitchen where you spend so many of your working hours. It drives away shadows—and glare and gloom. It saves eyes and prevents eyestrain—and makes it unnecessary to peer into the oven or the cupboards.

The Daylight Kitchen Unit is sanitary and easy to clean. It provides an abundance of good, soft light in every part of the room—artificial daylight that saves your time, labor and eyesight and makes your kitchen work much easier.

Let us install the Daylight Kitchen Unit complete with white enameled fixture and MAZDA Daylight lamp in your kitchen. If you are satisfied with it at the end of 30 days, pay us 60 cents per month for 12 months and the Unit is yours.



Take advantage of our special time-payment offer today. Your hours in the kitchen will seem shorter tomorrow. Phone 21 Hanamo, 252 Mutual.
